

Function. Kamal Makloufi. 2010.

Legend: Dark Blue = 'Friendly troops' / Turquoise = Host nation troops /
Orange = Iraqi Civilians / Dark Grey = 'Enemies'

The image on the right side shows deaths as they happened over time as they were reported in the military's database, plotted in rows starting at the top left and running left to right. On the left side, the same data is shown but organised by the characteristics of those killed.
