Information Management at IFRC

This module covers the nuances between data and information management to serve the diverse audiences at IFRC. It answers the question: **What is the Information Management role at IFRC?**

RECIPE
A suggested step by step process to achieve learning

1. **What is Data Literacy at IFRC? [SlideDeck 6]** Provides an overview of Data Literacy and the Data Literacy Program at IFRC.
2. **Data and Information Management Basics [SlideDeck 9]** A longer slide deck covering what is data, what is data literacy and information management overviews.
3. Run the **Global Surge IM Role: Test Scenario [Exercise 8]** to provide a disaster scenario and explore Information Management's role
4. Review the **Information Management in Emergencies at the IFRC [Handout 7]**

INGREDIENTS
Pick and choose ingredients to create your own recipe. Do you have an ingredient we're missing? Send an email to data.literacy@ifrc.org.
