

## Global Disaster Preparedness Center

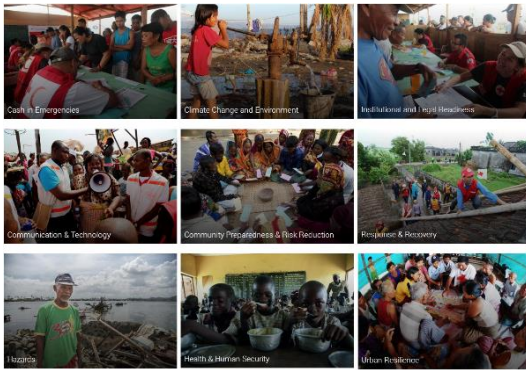

Visit [Preparecenter.org](https://Preparecenter.org)

Prepare, innovate, and learn together in a virtual practitioner network.

The site is oriented around key topics and resources on disaster preparedness and offers a variety of ways in which users can share their own experience, contribute to the content, and share resources. Practitioners and champions of disaster preparedness from all walks of life are welcome and encouraged to become part of the site community.

Visit Preparecenter.org to expand your knowledge on various disaster management topic areas through targeted information on various issues, hazards, countries and stories from the field.

Here is a glimpse of what Preparecenter.org offers:

## Topics:

Discover **over 70 topics** & **16 hazards**, that illustrate its integrative role in disaster risk reduction and management. Each topic includes a basic overview, detailed resources, and videos to help expand your research and knowledge.

## Resource Library

<p><b>Filter by RESOURCE TYPE</b></p> <p>Video (298)</p> <p>Guidance material (244)</p> <p>Report (220)</p> <p>Case study (167)</p> <p>Show more ▾</p>	<p><b>Filter by TOPICS</b></p> <p>Disaster Preparedness (163)</p> <p>CBDRR Practitioners Guidelines (137)</p> <p>Climate Change Adaptation (130)</p> <p>Urban Risk Reduction (95)</p> <p>Show more ▾</p>
