

What Does the Future Look Like ?

THINK ABOUT WHAT THE FUTURE LOOKS LIKE TO YOU

Think about what the future looks like to you.

Draw a picture of yourself and your family in your community **this time next year**. What do you hope you will be doing? What will your community look like?

How will things be different?
What can you do to help this future happen?
Write the answers around your picture.

Now draw a picture of you and your family in your community **many years in the future**. What else has changed in your family and your community?

How will things be different?
What can you do to help this future happen?
Write it down.

Think about a better future for you and your community.
