Flood Resilience Alliance

PHILIPPINE PROJECT
The Zurich Flood Resilience Alliance (ZFRA) is a multi-sectoral partnership focusing on finding ways to help communities in developed and developing countries strengthen their resilience to flood risk.

**WHO ARE WE**

The Flood Resilience Alliance Philippine project is being incorporated into the Philippine Red Cross community and school-based disaster risk reduction programme with the following objectives, along with cross-cutting issues such as climate change adaptation.

**WHERE WE WORK**

Metro Manila
City of Pasig
Municipality of Pateros
Pangasinan
Mangatarem

**WHAT WE DO**

1. Increased community awareness of hazard and risk exposure through participatory tools.
2. Improved capacity among community and Philippine Red Cross volunteers to implement disaster preparedness activities that enable effective response in times of emergency.
3. Reduction of identified disaster risks after implementation of recommended mitigation measures.
4. Improved capacity of PRC in implementing community resilience programmes.
